<p></p> <p class="MsoNormal">The scene:</p> <p class="MsoNormal">We're heading out grocery shopping on a weekend and we're listening to Joseph and the Amazing Technicolor Dreamcoat in the car. When Hazel pipes up "can you play the winky dinky night song?"</p> <p class="MsoNormal">Huh?</p> <p class="MsoNormal">Apparently she was referring to the title song Any Dream will Do " where the only lyrics that mildly rhyme with her recollection are:</p> <p class="MsoNormal">A crash of drums, a flash of light
 My golden coat flew out of sight
 The colours faded into darkness
 I was left alone</p>
