

Burnt fingers

Tuesday, 22 February 2011 06:02

<p></p> <p class="MsoNormal">It had to happen eventually.</p> <p class="MsoNormal">Aline was on the phone with her mom and Sam reached up and touched a hot stove.</p> <p class="MsoNormal">He burnt his left palm, thumb, index and middle finger. And then the screaming began. Poor little guy. </p> <p class="MsoNormal">Aline says he cried pretty hard for the first half hour and screamed at one point when she tried to bring him to the kitchen. Eventually he calmed down enough and fell asleep at naptime and she put his hand in a bowl of cold water. By suppertime he seemed OK and was fine with showing off his hand to me. It doesn't look too bad.</p> <p class="MsoNormal">◆</p>
